

IPC - Standards + Codes

7 November 1969

MEMORANDUM FOR: Chairman, Information Processing Board

SUBJECT : Proposed USA Standard Keyboard Arrangement

1. The attached status report on the development of standards for keyboard arrangements was sent to the DD/S by the Executive Registry and I am told was not otherwise distributed.

2. Because an oral response is required before November 20, 1969 I suggest that each recipient telephone his comments to you no later than 18 November and that you suggest the target date for the follow-up written confirmation which is due no later than 31 December.
